STYX MILL®

OUR STORY

Welcome to our 2017 / 2018 Oilskin Wax Clothing Catalogue.

Styx Mill brings you purposed designed outerwear, developed and manufactured in New Zealand.

Our oilskin is 100% waxed cotton, engineered to keep the wearer dry and warm, strong enough to withstand a hard working life and beautiful to wear wherever you choose.

This catalogue brings new styles and product improvements which we are excited to add to the range. Enjoy reading, visit www.styxmill.com and let us know what you think.

OUR PARTNERSHIP

The Department of Conservation (DOC) is the government agency charged with conserving New Zealand's natural and historic heritage.

Styx Mill and DOC are working together to promote the environment and enhance staff safety for the Visitor Asset Teams in the unique 1.2 million hectare (2.96m acre) Fiordland National Park, Southwest New Zealand.

For a manufacturer like Styx Mill, this partnership means a lot. Our export customers are acutely aware of New Zealand's unspoilt natural beauty and the values it represents. We are passionate about this region and thankful to DOC for the opportunity to work together in partnership

Settle in and read about a selection of Fiordland tracks throughout this booklet. Enjoy what we enjoy!

KEPLER TRACK

DURATION: 3-4 DAYS

DISTANCE: 60KM, 37 MILES

Remote, diverse and beautiful, the Kepler is a "Great Walk", one of 9 premier walks in New Zealand. Beginning alongside the tranquil shores of Lake Te Anau, the Kepler is an incredible wilderness adventure above the clouds.

The Kepler illustrates the diverse features of the Fiordland with moss-draped beech forest, prolific bird life, tussock high country, huge mountain ranges with cascading waterfalls, vast glacier-carved valleys, luxuriant river flats and limestone formations.

MILFORD TRACK

DURATION: 4 DAYS

DISTANCE: 53.5KM, 33 MILES

Described as the 'finest walk in the world', New Zealand's most famous walk is a "Great Walk", one of 9 premier tracks in the country.

Journey along valleys carved by glaciers, hike the depths of ancient rainforests and feel the misty breath of Sutherland Falls, New Zealand's tallest waterfall. Walkers can experience heavy falls of rain with torrents of water cascading down the mountainsides, giving trekkers the true experience Fiordland's magic.

DUSKY TRACK

DURATION: 8-10 DAYS

DISTANCE: 84KM, 52 MILES

The Dusky track starts at New Zealand's deepest lake, Lake Hauroko and crosses two mountain ranges and three major valley systems on its path to the beautiful Lake Manapouri.

A difficult but rewarding track, this walk is definitely not for the faint hearted. Walkers experience knee deep mud, remoteness, mighty rivers, vast valleys and rough terrain. An additional 2 day detour down the Seaforth River leads to Supper Cove in Dusky Sound/Tamatea, one of New Zealand's largest fiords.

ROUTEburn TRACK

DURATION: 2-4 DAYS

DISTANCE: 32KM, 19 MILES

The Routeburn Track trails through ice-carved valleys and below the majestic peaks of the Southern Alps/Kā Tiritiri o te Moana.

Scenes from The Lord of the Rings trilogy were filmed nearby and the track is a "Great Walk", one of 9 premier walks in New Zealand. Linking Mount Aspiring and Fiordland National Parks, the Routeburn weaves through lush meadows, high country tarns and alpine gardens, rewarding the hikers with spectacular vistas over vast mountain ranges and valleys.

HOLLYFORD TRACK

DURATION: 4-5 DAYS

DISTANCE: 56KM, 34 MILES

The Hollyford Track is a Fiordland hiking adventure, offering scenery from steep mountain ranges with narrow passes, remote lakes and a final dip down to the Tasman Sea.

Hikers start among the sheer rock walls of the Darran Mountains and follow the Hollyford River/Whakatipu Kā Tuka through Fiordland National Park on its journey to the sea at Martins Bay, on the wild West Coast of New Zealand.
